Office of the Dean (Academics)
Circular 12/2026

Date: 15 October 2026
Effective: 1 November 2026

To: All B.Tech students, Class Advisors and Heads of Department
Applies to: B.Tech students only. M.Tech students continue under Rule 7.4.3.

Subject: Change to the time allowed for submitting on-duty proof (Rule 6.4.3)

Many on-duty requests are being decided weeks after the event because proof arrives late. The Academic Council has therefore approved the following change to the Student Handbook 2026.

1. With effect from 1 November 2026, a B.Tech student must submit proof of participation for an on-duty request (a participation certificate or a letter from the organiser) within **3 working days** after the event, instead of the 5 working days in Rule 6.4.3 of the Student Handbook 2026.

2. On-duty requests for events held before 1 November 2026 follow the earlier 5-working-day rule.

3. If proof is not submitted within 3 working days, the on-duty request is rejected and the periods are counted as absent, as stated in Rule 6.4.4.

4. All other rules on on-duty in Chapter 6 remain unchanged.
