1. About KIT

Knotopian Institute of Technology (KIT) is an autonomous engineering institution in Coimbatore, Tamil Nadu, known for high academic standards and strong industry placements. The campus, Knotopian Knowledge City, has modern laboratories, a central library with a digital collection, separate hostels for men and women, and college buses on 22 routes across the city.

KIT offers four-year B.Tech programmes in three disciplines and a two-year M.Tech programme. This brochure covers B.Tech admissions only.

2. Programmes, eligibility and fees

Admission is on merit, based on the aggregate percentage in the Higher Secondary (12th standard) examination in Physics, Chemistry and Mathematics. Table 2 shows the minimum 12th percentage for each programme. Applicants below the minimum for a programme cannot be admitted to that programme, but may apply for any programme whose minimum they meet.

Table 2 · B.Tech programmes for 2027–28

Course code	Programme	Minimum 12th % (PCM)	Tuition fee per year	Hostel fee per year	Seats
BTECH-CSE	B.Tech Computer Science and Engineering	75.0%	₹1,25,000	₹60,000	120
BTECH-ECE	B.Tech Electronics and Communication Engineering	70.0%	₹1,10,000	₹60,000	60
BTECH-MECH	B.Tech Mechanical Engineering	60.0%	₹95,000	₹55,000	60

Hostel fees depend on the hostel block allotted to each department and cover accommodation only. Mess charges are about ₹3,500 per month and are paid separately. Fees for 2027–28 may be revised by up to 5% before admission; the fee in the admission letter applies.

Other conditions

- Applicants must have passed the Higher Secondary examination (12th standard) or an equivalent, with Physics, Chemistry and Mathematics.
- Applicants appearing for the 12th examination in 2027 may apply; admission is confirmed only after the results are published and the minimum is met.
- Applicants must be at least 17 years old on 31 December 2027.

3. How to apply

1. Apply online through the KIT admissions portal or the admissions assistant on the KIT website. One application is needed for each programme you want to be considered for.
2. Give your full name, mobile number, email, the programme (course code) and your 12th percentage, or expected percentage if your results are awaited.
3. You will receive an application number by email. There is no application fee.
4. The merit list is published on the website on the date in section 4. Selected applicants receive an admission letter by email.
5. Report for document verification and fee payment on the counselling dates in section 4.
